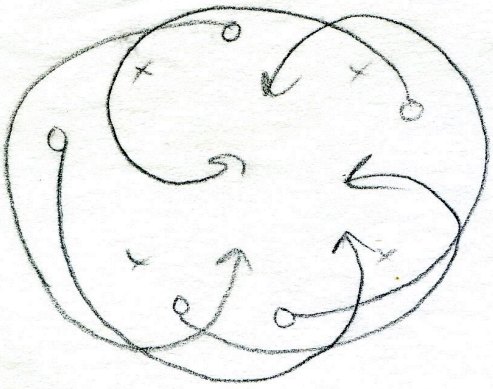
Out of Nothing

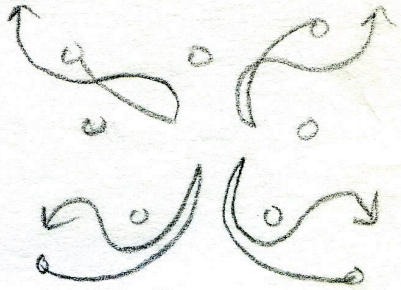
ML

(1)

Within the centre of the rose

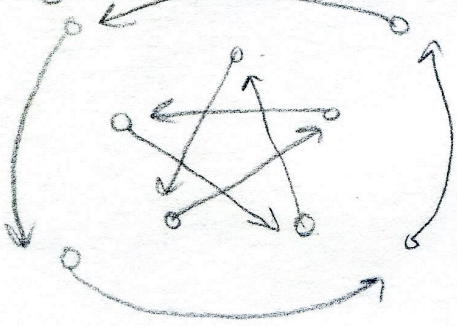


Seed out of the silence grows (moon)

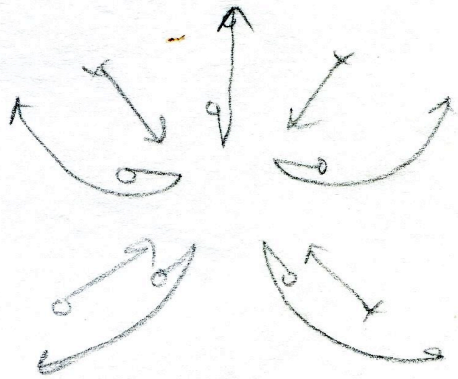


Its crimson heart

The night enfolds



The atoms void (dies)



The source of worlds

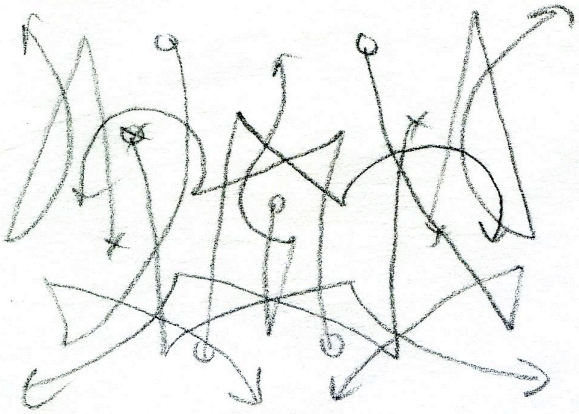
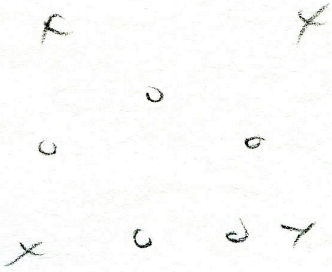
cancer

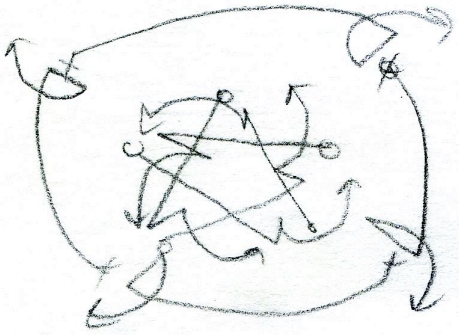
From whose unfathomed

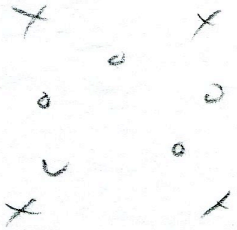
chaos taurus rise





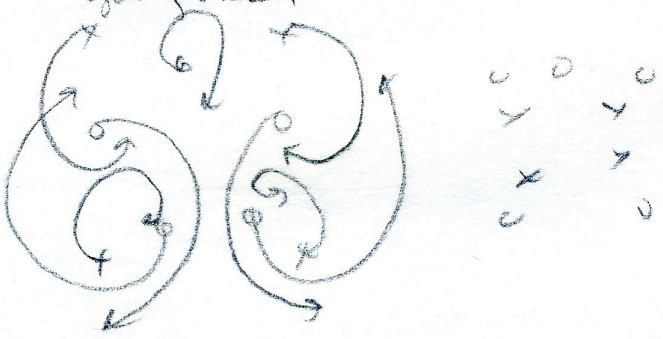
Stir venus & leviathan from interior mercury skies



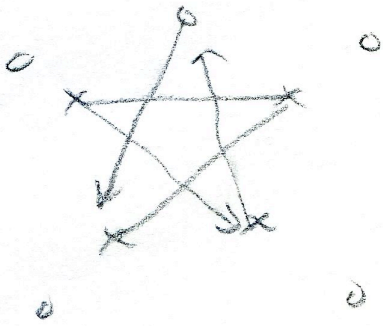


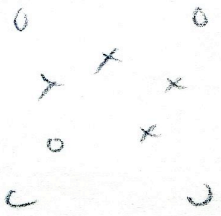
Idune build a horse

getting small



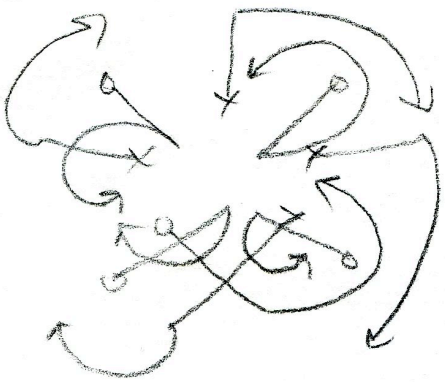
Where love may come

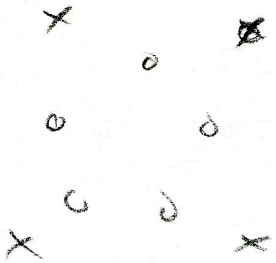




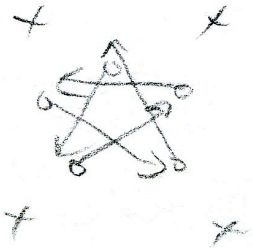
0103 - 5558

From the ends of darkness home

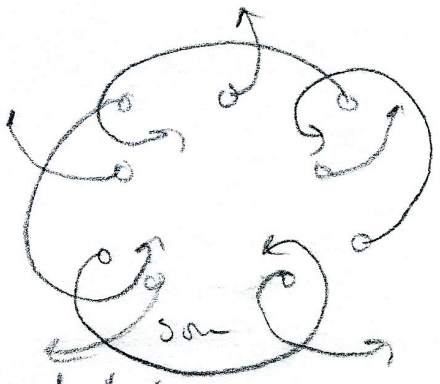




Here the Virgin waits alone



for her lover for her son



Here the mother wraps her child
In warm chess of flesh + blood (all inward)
