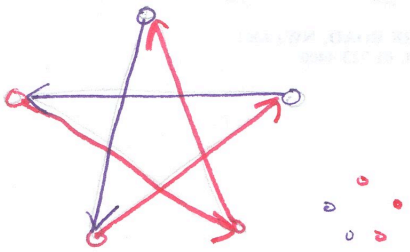
The stars spake once to Man
It is world-destiny
That they are silent now
To be aware of the silence
Can become pain for earthly Man.

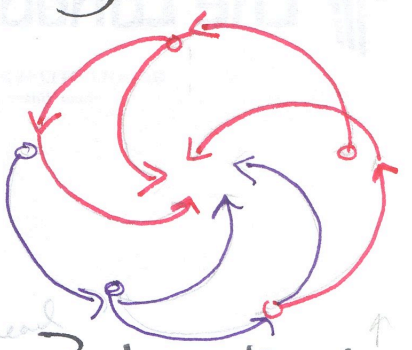
But in the deepening silence
There grows and ripens
What Man speaks to the Stars
To be aware of the speaking
Can become strength for Spirit-Man.

Rudolf Steiner

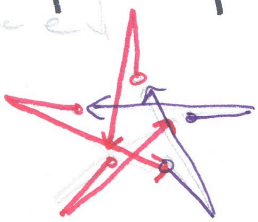
The stars spake
once to Man



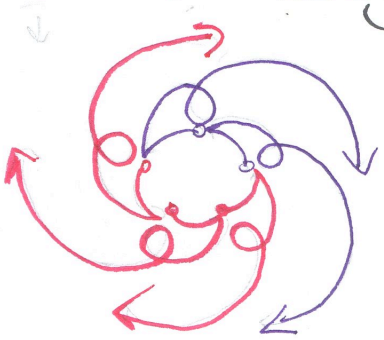
It is World-destiny
That they are silent now.



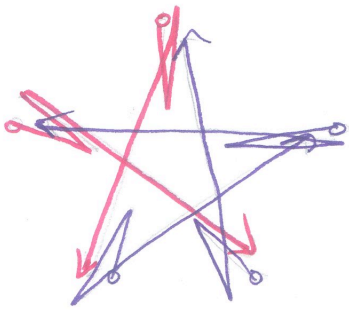
To be aware of the silence
Can be pain for earthly
Man.



But in the deepening
silence There grows
ripens

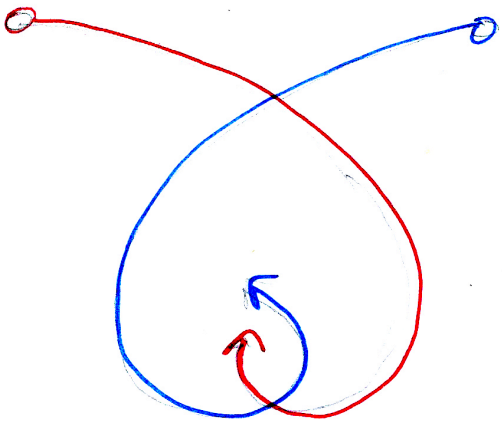


What Man speaks to
the Stars

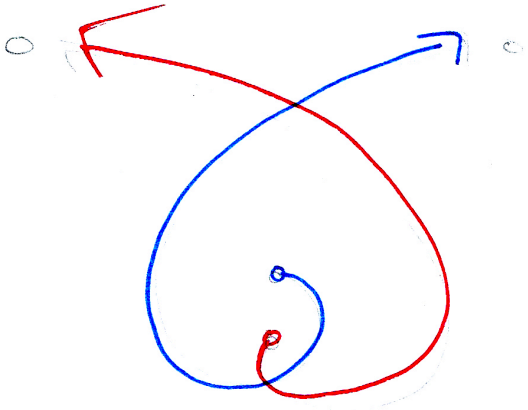


To be aware of the
speaking
Can become strength
for Spirit-Man.

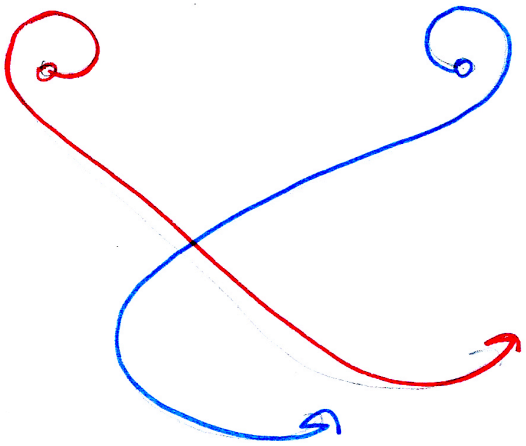
The stars spake once
to man



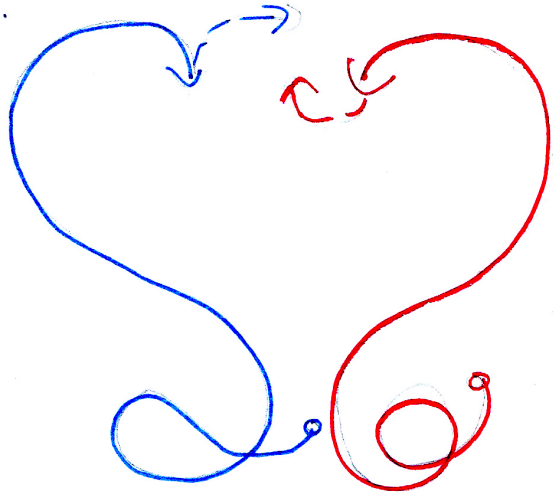
It is world-destiny that
they are silent now.

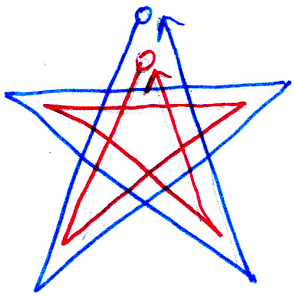


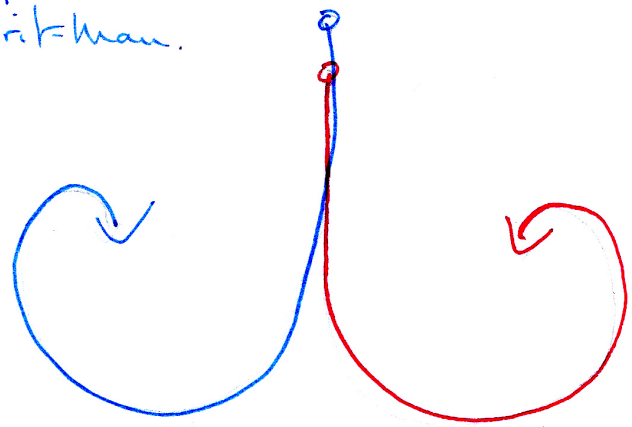
To be aware of the silence
Can become pain for earthly man.



But in the deepening silence
there grows and ripens
what man speaks to the stars.







To be aware of the speaking
Can become strength for Spirit-Man.
